---

**objective:**

To secure a design position where I can become a contributing member of a creative team.

**education:**

Academy of Art University, San Francisco, California  
BFA Graphic Design, June 2004–May 2008

University of Hawaii at Manoa, Honolulu, Hawaii  
BA Journalism, August 1996–May 2000

**work experience:**

Landor Associates, San Francisco, California

Graphic Design Intern, October 2008–Present

Worked on packaging, branding, identity, and print projects for various clients, such as MillerCoors.

Nest Naturals, Emeryville, California

Freelance Graphic Designer, July 2008–October 2008

Assisted in the redesign of Revolution Foods, which provides healthy meals and snacks to kids. Design applications included 3D environments, stationery system, and exterior graphics for a school bus.

Clif Bar & Co., Berkeley, California

Graphic Design Intern, January 2007–July 2007

Designed materials that involved packaging, branding, identity, 3D environments, and print.

**computer skills:**

Adobe Creative Suite, QuarkXPress, and Microsoft Office

**language skills:**

English and Tagalog

**activities:**

AIGA San Francisco Chapter member, October 2006–Present

**awards:**

*GD USA* American Inhouse Design Award Winner, 2008

Clif Bar GreenNotes applications, such as banners, posters, postcards, and T-shirts. GreenNotes seeks to educate musicians and their fans about going green.
